

ACCESSORIES NEW HANDLEBAR LIGHT

made in Germany

! Click & Flash - developed with Busch + Müller

- world's first handlebar with built-in, battery-powered lights
- makes the trailer clearly visible from the front (white) and back (red)
- shock proof and water resistant
- capacity: 2300 mAh

! Worry-free Croozing - thanks to state-of-the-art sensor technology

- while moving, lights switch on automatically when it gets dark
- On / Off switch for activating and deactivating the sensors
- delayed shut off: light stays on for 4 minutes after stopping

! Kid Plus 2016 - lighting system included

- Click & Flash is included in the Kid Plus package 2016

...WITH AUTOMATIC SENSOR

Switches on automatically when the Croozer is in motion and the sun starts to set!
